We do not have responsibility with content of this book.

A dark standalone YA fantasy about a band of mercenary girls in search of female glory.

Frey, Ovie, Juniper, and Runa are the Boneless Merciesâ€™ girls hired to kill quickly, quietly, and mercifully. But Frey is weary of the death trade and, having been raised on the heroic sagas of her people, dreams of a bigger life.

When she hears of an unstoppable monster ravaging a nearby town, Frey decides this is the Mercies' one chance out. The fame and fortune of bringing down such a beast would ensure a new future for all the Mercies. In fact, her actions may change the story arc of women everywhere.
